

These instructions will help you file a wage claim with the Antidiscrimination and Labor Division (the “Division”) of the Utah Labor Commission. To help expedite your claim and prevent any possible delays, kindly follow the instructions below:

Complete the Intake Questionnaire: Carefully read and follow the instructions in the attached form to ensure we have the necessary information to process your claim.

Key Information to Provide:

- **Employer Identification:** For us to correctly identify your employer, please provide a copy of a pay stub or a W2 Form. Alternatively, please inform us if you were never provided a pay stub or W2. You must either provide this documentation or this explanation.

- **When You Were Not Paid:** Provide the start and end date for when you performed work for which you believe you are owed wages. Wage claims must be filed within one year of earning the wages.

Claim Rejection: If essential information is missing, your claim will be rejected. In such cases, the Division will explain why your claim was rejected and allow you to submit the missing information within 14 days. Please note that it remains your responsibility to respond within this timeframe or, alternatively, to file a new claim within one year of when the wages were owed.

Claim Form Submission: Email the completed form to wcu@utah.gov, hand deliver it to our office, fax it to the number on the form, or mail it to the address on the form.

Investigation Process: Once the Division has received your completed form and determined that it has jurisdiction over your claim, we will forward a copy of the attached form to your employer. We will then request a response from your employer and initiate our investigation. We will communicate important deadlines and information throughout the process.

It is important to note that the **Utah Labor Commission** administers and enforces specific **state** labor laws. The applicable statutes and administrative rules include:

- [Payment of Wages Act, Utah Code Ann. §34-28-1 et seq.](#)
- [Utah Minimum Wage Act, Utah Code Ann. §34-40-101 et seq.](#)
- [The Employment of Minors Act, Utah Code Ann. §34-23-101 et seq.](#)
- [Utah Administrative Code R610 \(Antidiscrimination and Labor\)](#)

Additional information can be found at <https://laborcommission.utah.gov/divisions/utah-antidiscrimination-and-labor-uald/wage-claim/>. Correctly filling out and returning the attached form initiates a claim with the Utah Labor Commission that the Utah Payment of Wages Act has been violated.

In addition to these **state** laws, there are several **federal** labor laws administered by the **United States Department of Labor**. More information about these laws can be found at: <https://webapps.dol.gov/dolfaq/> by clicking [Laws and Regulations](#), or by calling the local Utah office at 801-524-5706. The Utah Labor Commission does not have the ability to determine if federal laws have been violated. Please contact the United States Department of Labor for questions related to federal labor laws.
