

Pregnancy and Related Conditions under the Utah Antidiscrimination Act

The Utah Antidiscrimination Act **requires** employers to provide **reasonable accommodations** for employees related to **pregnancy, childbirth, breastfeeding, or related conditions**, upon an employee's request.

Further, the Act **prohibits** an employer from **terminating an employee, or denying an employment opportunity**, instead of providing reasonable accommodation.

However, an employer is not required to provide reasonable accommodation if it can demonstrate that doing so would create an **undue hardship on its operations**.
